Welcome to Your Website Template Purchase

Thank You for Your Order!

Thank you for purchasing one of our **AISOFTMTL Website Templates**.

We're excited to help you start building your professional online presence with ease and confidence.

Please follow the simple steps below to access, customize, and enjoy your new template.

Step 1: Download Your Digital Product

1. After completing your purchase, you'll receive a **confirmation email** from Wix (or from AISOFTMTL, if applicable).
2. This email includes a **Download Link** or **Access File** — click it to download your ZIP file or PDF.
3. The file may include:
 - A **Quick Start Guide** (PDF)
 - A **Link to Access Your Wix Template** or transfer instructions
 - Any **Bonus Materials** or editable assets (if included in your offer)

⚠ **Important:** Please download your files within 30 days of purchase.

All digital products are final sale and non-refundable.

Step 2: Accessing Your Wix Template

Depending on the product you purchased, you'll either:

- **Receive a Transfer Link** — we'll send you an invitation email to add the template directly to your Wix account.
- **Or Access a Template Link in the Download File** — follow the link provided and duplicate it to your own account.

✳ **You'll need a Wix account** (free or paid) to use the template.

If you don't have one yet, create it here: <https://www.wix.com/start>

Step 3: Customize Your Template

Once the template is added to your account:

1. Log in to Wix and open your new website in the **Wix Editor**.
2. Replace demo content with your own text, images, and branding.
3. Customize fonts, colors, and layouts as you wish — or follow the included style guide.
4. When you're ready, connect your domain and publish your site.

💡 **Pro Tip:** The Quick Start PDF included in your download has detailed customization instructions and video tutorials (if applicable).

Step 4: Need Help? We've Got You Covered

If you have questions or need guidance after your purchase:

- Visit our **Help Page** or check the **FAQs** included in your file.
- For technical issues or template transfers, please contact us at:
 support@aisoftmtl.com

You can also book a **1:1 Setup Session** (optional) for personalized assistance with your site.

Technical Requirements

To ensure the best experience:

- Use a desktop or laptop for editing (not mobile).
- Browser: **Google Chrome** or **Microsoft Edge** (latest version).
- Internet connection recommended: 10 Mbps or higher.

License & Usage

This template is licensed for **personal or business use** under one Wix account only.

You may customize it freely for your own business or client, but **reselling, redistributing, or sharing** the template or files is strictly prohibited.
